Dear parents/carers

Impact in Learning Workshops, Spring Term 2018

This term our Impact in Learning workshops will be focussed on maths, and will help parents of year 1 and 2 children better support their child(ren) with class activities and homework. Each session is one hour and includes refreshments!

As before, we ask that every child has an adult with them. If you are unable to make the session, a grandparent or other family member could take your place. Alternatively you could also sign up for a different session in the same year group.

Please fill in and return the slip below, confirming your attendance.

Kind regards

Jon Queralt
