Title of Book

The Selfish Giant, by Oscar Wilde

What's it about?

A giant builds a wall around his beautiful garden to keep children out. It is always winter in the garden, for no other season would venture there. Then one morning, a special child brings Spring back, and the giant's heart melts along with the snow.

Why is it your favourite?

It really shows how it is good to be kind.

Please phone the office by 9.30am if your child is off school.
