New Lunch Menu

On 15th May, County Caterers launch their new menu for school dinners. New dishes include creamy chicken korma and delicious muffins. Children will also get to know the 'Nutrigang' – a group of four friends who share a passion for food, who will feature on menus and posters at school. The Nutrigang will help spread key messages about food (such as nutrition and where it comes from) in a child-friendly way. Menus will be sent home next week.

Trip to Warwick Castle

Next Wednesday the whole school will be visiting Warwick Castle. There is no cost for the trip as Warwick Castle are filming a new advertisement featuring the Wars of the Roses. If any parents can help escort the children on the day, please let your child's teacher or the office know. We are all looking forward to an exciting day out.

April 100 Club Winners

Congratulations to 1st Prize winner Alison Cole, and 2nd Prize winner Alice Jones

Stay SAFE near water

Last term we had a visit from the Canal & River Trust to talk about safety around water. Look out for their fun 'Stay SAFE near water' booklet sent home today. Look at this with your child to help reinforce the water safety message.

Walk 4 Wildlife

This year we are going to take part in the Walk 4 Wildlife on 19th May. This event aims to raise money for local wildlife charities, and at the same time set a new Guinness World Record for the biggest sponsored walk ever held. We have decided to raise funds for the Warwickshire Wildlife Trust. More details will follow and we will be looking for parent helpers.

At Warwick Boat Club (Near Saint Nics Park) we are working with the Lawn Tennis Association to encourage young people and families to take advantage of our fantastic Tennis, squash and Rowing Facilities.

Throughout the summer we are running special family tennis sessions every Sunday 3-5pm in order to support local community sports and activities.

The first session is free, and further sessions are £3 per child. To book a place email or call Gavin Henderson:
